## 1 General Information

The Beilstein Publishing System used with the *Beilstein Journal of Nanotechnology* allows referees to download the manuscripts which they have agreed to review and upload their referee reports with all their recommendations regarding the acceptance of the manuscript. In addition, referees can upload additional files with their reports and send confidential comments to the editor. The submission of a referee report may be interrupted and resumed at any time.

If you are a first-time reviewer for the *Beilstein Journal of Nanotechnology*, we recommend that you consult the document "[The Beilstein Journal of Nanotechnology](#)" for further information about the journal.

This document gives referees an overview of the different steps during the review process and guides them through the Beilstein Publishing System.

## 2 Invitation to review a manuscript for the Beilstein Journal of Nanotechnology

Referees are invited by the editor-in-chief, an associate editor or a guest editor to perform the peer-review of a manuscript. The invitation will be sent by email, which will contain links to either accept or decline the invitation. To accept or to decline the invitation, please click the corresponding link. A confirmation email will be sent immediately after answering the invitation.

Dear Prof. Friedrich K. Beilstein,

We would like to invite you to participate in the peer-review process of a manuscript submitted to our non-profit journal by Dr. Arthur Long.

Title: Vertically aligned nanowires

Journal: Beilstein Journal of Nanotechnology

Type of article: Full Research Paper

Author(s):

Arthur Long, Ed Meyers

Abstract:

Controlled geometrical properties ...

For conditions and detailed information about the review process, please see the Instructions for Referees: <http://www.beilstein-journals.org/bjnano/submission/refereeInstructions.htm>. Under normal circumstances, referees are asked to return their reports as soon as possible, within 14 days at the latest.

To ACCEPT this review invitation, please click <http://www.beilstein-journals.org/s/NZL3CB5hXy> and you will be emailed immediately with further instructions.

To DECLINE this review invitation, please click <http://www.beilstein-journals.org/s/4OGQRTC1Yo>. In this case we would greatly appreciate if you could suggest alternative referees by either replying directly to this email or filling in the form that follows after declination.

We hope you are able to make time for our non-profit Beilstein Journal of Nanotechnology, which is a unique opportunity to support a true diamond open access (no fee) journal.

With best regards,

Beilstein BZNANO Editor in Chief

Email: [bjnano-editor@beilstein-institut.de](mailto:bjnano-editor@beilstein-institut.de)

Web: <http://www.beilstein-journals.org/bjnano>

---

The Beilstein Journal of Nanotechnology is a fully peer reviewed, online open access journal. The content is freely accessible online and is publicly archived. Authors can publish scientific articles free of charge as the Beilstein Journal of Nanotechnology is completely funded by the Beilstein-Institut, a non-profit foundation committed to advancing communication and information in the area of chemistry and its related disciplines. The Beilstein Journal of Nanotechnology publishes high quality work on all aspects of nanoscience and nanotechnology, and for this reason, we ask our referees to recommend publication only of important work which will make an impact on the field. More information about the journal, including details of our Editorial Advisory Board, is available at <http://www.beilstein-journals.org/bjnano>.

If the invitation to review a manuscript is accepted, the confirmation email will contain a link to the Beilstein Publishing System as well as the user name and the password for the referee. With the user name and the password, a referee is able to log in to the Beilstein Publishing System without registration.

Any scientist who is interested in reviewing for the *Beilstein Journal of Nanotechnology* may contact the managing editor to express his/her interest and to communicate his/her specialist area ([managing-editor-bjnano@beilstein-institut.de](mailto:managing-editor-bjnano@beilstein-institut.de)).

### 3 Access to the Beilstein Publishing System

You can access the Beilstein Publishing System either by using the link given in the acceptance confirmation email or directly via the website: <http://www.beilstein-journals.org/bps>. In both cases the login screen of the Beilstein Publishing System will be displayed. Please enter your user name and password in the appropriate fields and click on the “Login” button to log in.

The screenshot shows the Beilstein Publishing System login page. The header features the Beilstein logo and the text "BEILSTEIN PUBLISHING SYSTEM". The top navigation bar includes links for "MANUSCRIPT SUBMISSION", "SUPPORT & CONTACT", "ABOUT", and "HELP". On the right side of the header is a "Login | Register" link. The left sidebar contains a "LOGIN/REGISTER" section with links for "Login", "Register", and "Password Forgotten". The main content area shows the "Login" page with the heading "Welcome to the Beilstein Publishing System!". It includes a brief description of the system and instructions for new users. Below this is a form with fields for "User Name \*" and "Password \*", each with an accompanying input box. A "Login" button is located below the password field. At the bottom of the page are links for "Privacy Policy", "Terms & Conditions", and "Impressum".

If you access the Beilstein Publishing System using the *Beilstein Journal of Nanotechnology* homepage (<http://www.beilstein-journals.org/bjnano>), please select the main menu “Submission” and afterwards choose the button “My Manuscripts” given on the right side of the screen to open the login page.

You can update your personal profile and your password at any time by selecting “My Journal” from the main menu and “My Details” or “Change Password” from the corresponding submenu.

The screenshot shows the Beilstein Publishing System interface. At the top, there is a navigation bar with links for MANUSCRIPT SUBMISSION, MY JOURNAL (which is highlighted in blue), MANUSCRIPT ADMINISTRATION, SUPPORT & CONTACT, ABOUT, and HELP. A dropdown menu shows the user is logged in as Beilstein in role 'Referee' with options to Change or Logout. The main content area is titled 'My Journal' and contains the subtext: 'My Journal allows you to update your personal details or to change your password at any time.' On the left sidebar, under 'MY JOURNAL', there are links for 'My Details', 'Change Password', and 'Delete My Profile'. At the bottom of the page, there are links for Privacy Policy, Terms & Conditions, and Impressum.

In the event that you have forgotten your password, please select “Password Forgotten” from the login screen submenu. After entering your email address you registered with and clicking “Send”, you will be automatically sent a new password by email.

The screenshot shows the Beilstein Publishing System interface. At the top, there is a navigation bar with links for MANUSCRIPT SUBMISSION, SUPPORT & CONTACT, ABOUT, and HELP. A 'Login | Register' link is also present. The main content area is titled 'Password Forgotten' and contains the subtext: 'Please enter the email address you registered with and click on "Send". An email containing your user name, a new password and information how to change the password will be sent immediately to the email address stored in your user profile. All mandatory fields are indicated with an asterisk (\*).'. On the left sidebar, under 'LOGIN/REGISTER', there are links for 'Login', 'Register', and 'Password Forgotten' (which is highlighted in red). At the bottom of the page, there are links for Privacy Policy, Terms & Conditions, and Impressum.

## 4 Change User Role

If you have been assigned more than one role within the Beilstein Publishing System (e.g. author or referee), you may easily select your required role for the task you wish to carry out. Once you are logged in, you can, if necessary, select a different role by using the drop down box which is located at the top right corner of the screen and click on “Change” to show the manuscripts associated with the new user role.

## 5 Referee Section

### 5.1 Manuscript Overview

After logging in to the Beilstein Publishing System, the manuscript overview page will be displayed. By default, all the manuscripts of the Beilstein Journals for which you are invited for peer review are shown on the overview page, irrespective of whether you have accepted or declined the invitation to review the corresponding manuscript. A table provides you with the most important information about the manuscript: the manuscript ID, the name of the Beilstein Journal the manuscript has been submitted to, the type of article, the editor, the title, the submitting author, and the status. The status entry is either “Review” or “Completed”.

You may limit the display by using the search fields provided above the list. In addition, the list entries can be sorted by clicking on the respective column header.

When the mouse is moved over the entry given in the column “Status” of a manuscript a tooltip showing the due date and remind date is displayed until the corresponding workflow step is finished.

The details section of a manuscript can be displayed using the link “Show” on the right side of the corresponding row. This allows you to proceed further with the review process.

The screenshot shows the Beilstein Publishing System interface. At the top, there is a navigation bar with links for MANUSCRIPT SUBMISSION, MY JOURNAL, MANUSCRIPT ADMINISTRATION (which is the active tab), SUPPORT & CONTACT, ABOUT, and HELP. A user status message "You are logged in as Beilstein in role Referee" is displayed, along with a "Change | Logout" link. The main content area is titled "Manuscript Overview for User Role Referee". It includes a breadcrumb navigation: Home > Manuscript Administration > Manuscript Overview. Below this is a search bar with fields for "Manuscript ID", "Submitter", "Editor", and buttons for "Search" and "Clear". A message "Found 4 manuscripts" is displayed above a table. The table has columns: Manuscript ID, Journal, Type of Article, Editor, Title, Submitter, Status, and Details. The data in the table is as follows:

Manuscript ID	Journal	Type of Article	Editor	Title	Submitter	Status	Details
4935516	BJNANO	Full Paper	BJNANO Editor in Chief	Vertically aligned nanowires	Long	Review	Show
4935380	BJNANO	Full Paper	BJNANO Editor in Chief	Influence of chemical functionality of nanoparticles on local ordering of liquid crystals	Yu	Completed	Show
4935557	BJOC	Full Paper	BJOC Editor in Chief	New chiral ligands in Pd-catalyzed reactions	Smith	Review	Show
4935429	BJOC	Full Paper	BJOC Editor in Chief	Synthesis of new bioactive indolizidine derivatives	Yu	Completed	Show

At the bottom of the page, there are links for Privacy Policy, Terms & Conditions, and Impressum.

## 5.2 Manuscript Details

After opening the details section of the manuscript concerned the “Details” tab is selected by default. Below the tab bar some general data of the review process of the relevant manuscript will be shown.

On the left side of the screen, the action list allows you to perform different actions on the manuscript as long as the manuscript is in the review status “Assigned”.

Action	Comments
Download Files	The tab “Files” opens for downloading the manuscript files. Any individual file can be downloaded by a click on the file name (see chapter 5.3)
Upload Report	This action allows the upload of a referee report (see chapter 5.4).
Send Email	An email form opens for sending a message to the editorial office.

The “Back” button lets you return to the manuscript overview page. Alternatively, you may view the details of the first, previous, next or last manuscript mentioned in the overview list by choosing the corresponding arrow above or below the details summary.

If a manuscript is classified as acceptable after the peer review, the editor will request the author to provide a revised version of the paper and to give a point-by-point response to all referee’s or editor’s comments. In general, the editor will initiate further steps based on the referees’ reports and the author’s response to them, without seeking further opinion. In special cases concerning new or unusual issues or when authors believe they have been misunderstood, the editor may decide to send the revised manuscript back to the original referees or to new referees.

If a referee agrees to review such a manuscript a second time, the dataset of the corresponding manuscript will be displayed again with the status “Review” on the manuscript overview page. On the

details page details of the first review process (Review No. 1) with all relevant data including the review report will be displayed as well as a second dataset (Review No. 2). The revised manuscript files and the response to review can be downloaded from the tab “Files” (see chapter 5.3).

## 5.3 Download Files

Choosing the tab “Files” or the action “Download Files” displays a summary of all files connected with the manuscript which should be reviewed. The file name, the file size and any comment entered by the authors during the submission process are shown. Any individual file can be viewed or downloaded by clicking on the file name.

The screenshot shows the Beilstein Publishing System interface. The top navigation bar includes links for MANUSCRIPT SUBMISSION, MY JOURNAL, MANUSCRIPT ADMINISTRATION (which is the active tab), SUPPORT & CONTACT, ABOUT, and HELP. A user status message indicates they are logged in as Beilstein in role Referee, with options to Change or Logout. The main content area is titled 'MANUSCRIPT ADMINISTRATION' and 'Manuscript Overview'. It displays manuscript details: ID 4935516, Editor: Beilstein BZNANO Editor in Chief, Submitter: Dr. Arthur Long, Status: Review. The journal is Beilstein Journal of Nanotechnology, the type is Full Research Paper, and the print status is Published. The title of the manuscript is 'Vertically aligned nanowires'. On the left, a sidebar under 'ACTIONS' offers links to Download Files, Upload Report, and Send Email. The central area is titled 'Manuscript Files' and shows two tables: 'Initial PDF' and 'Supporting Information'. The 'Initial PDF' table contains one entry: 'init\_1418807584392.pdf' (Size: 770593). The 'Supporting Information' table contains one entry: 'S1.doc' (Size: 74240). Navigation buttons for Back, <<, <, >, >> are present above and below the tables.

## 5.4 Referee Report

To upload your referee report, you must first open the details page of the manuscript and then select the action “Upload Report”. You will be directed to the review submission form of the Beilstein Publishing System which will allow you to upload all relevant review report data step by step. Mandatory entry fields are marked with an asterisk (\*) on each page. You can proceed with the stepwise review submission process by using the “Next” button or alternatively, save any review data without continuing by choosing the “Save” button. If you would like to return to previous submission pages, please click on the “Previous” button. In general, you should avoid moving to preceding pages within the Beilstein Publishing System by using the browser “Back” button, because this can lead to synchronization problems with your session on the server.

### 5.4.1 Manuscript Rating

On the first page of the review submission form you must give your recommendation on publication and a general assessment of the manuscript by choosing one of several listed options for each section. The following section headings and possible entries are given:

#### Recommendation

- Accept without revisions
- Accept with minor revisions
- Accept with major revisions
- Unable to decide
- Reject

#### Manuscript Assessment

- An article of high general importance
- An article of importance in the relevant subject area
- An article of limited interest
- A scientifically unreliable article
- An article not within the scope of the journal

#### Novelty

- An article showing originality and/or novelty
- An article with lack of novelty

#### Previous Publications

- Relevant literature is cited appropriately
- There are deficiencies in the citation of relevant literature

#### Claims and Conclusions

- The data obtained verify the claims and conclusions
- The claims and conclusions are not sufficiently supported by the data
- Not applicable

#### Experimental Details

- The experimental details are appropriately described
- The experimental procedures have insufficient details
- Not applicable

#### Identity and Purity

- The identity and degree of purity of new compounds is unequivocally established
- The identity and degree of purity of new compounds is not sufficiently supported by spectroscopic or analytic data
- Not applicable

#### Language and Style

- Article needs no or minor language corrections
- Substantial language corrections are necessary

## 5.4.2 Review Report

The review report must be either typed into the text field given on this page, or alternatively, the report can be generated by use of a standard word processing program and entered in the text field by copy and paste. If you copy and paste special characters from versions older than Microsoft Word 2003 these may appear as Roman letters. Please use the Character Map program which is installed on your Windows PC to solve this problem (see "[Hints & Tips](#)").

Any confidential comments you would like to send to the editor only may be entered by choosing the corresponding link below the referee report text box.

After successful uploading, the files will be listed in the lower section of the screen. This area remains empty until the first file has been saved in the system. Please check the files you have chosen to upload. If any error occurred with the file selection, you can delete the file from the list by clicking the “Remove” button and afterwards start the upload process once again. You may also view or download the files by clicking on the file name.

#### 5.4.4 Competing Interests

On this page you must declare any potential conflict of interests related to the paper you have reviewed. Please choose one of the two entries given to declare if there are competing interests or not. If competing interests exist, please disclose these in the text field below. Competing interests exist when your objective assessment of the manuscript might be influenced by personal, professional or financial relationship with other people or organizations (for more information see the [Competing Interests Policy](#)).

The screenshot shows the Beilstein Publishing System manuscript administration interface. The top navigation bar includes links for Manuscript Submission, My Journal, Manuscript Administration (highlighted in blue), Support & Contact, About, and Help. A dropdown menu shows the user is logged in as Beilstein in role Referee, with options to Change or Logout. The main content area is titled 'MANUSCRIPT ADMINISTRATION' and 'Manuscript Overview'. It displays manuscript details: ID 4935516, Editor: Beilstein BJNANO Editor in Chief, Submitter: Dr. Arthur Long, Status: Review, Journal: Beilstein Journal of Nanotechnology, Type of Article: Full Research Paper, Preprint Status: Published, and Title: Vertically aligned nanowires. Below this, a navigation bar lists steps: 1. Manuscript Rating, 2. Review Report, 3. Upload Additional Files, 4. Competing Interests (highlighted in red), and 5. Finalize. A 'Previous' button is to the left of 'Save' and 'Next'. The 'Competing Interests' section contains a note: 'Referees are requested to declare any potential competing interests referring to the paper they have accepted to review. A competing interest exists when the referee's objective assessment of a manuscript might be interfered by his personal, professional or financial relationship with other people or organizations. Referees should reveal any financial as well as non-financial competing interests that would embarrass them if it became generally known after publication of the manuscript. For more information please see section "11. Competing Interests Policy" of our Editorial Policy and Workflow page.' It includes two radio buttons: 'I have read the competing interest policy and declare that I have no competing interests' (selected) and 'I have read the competing interest policy and wish to disclose the following conflicts:' followed by a large text area.

#### 5.4.5 Finalize

The last screen summarizes the data you have entered throughout the various review submission steps. Any required but missing items will be indicated by . Please check carefully that you have provided all relevant data. If necessary, return to the corresponding step in the review submission process and amend or alter the existing data.

A click on the link “Show PDF” opens the referee report as a PDF file which contains all important information entered during the review submission process.

The review submission process must be finished by a click on the “Finalize Review” button. After completion of the review submission process a confirmation page will be shown.

The screenshot shows the Beilstein Publishing System interface. At the top, there is a navigation bar with links for 'MANUSCRIPT SUBMISSION', 'MY JOURNAL', 'MANUSCRIPT ADMINISTRATION' (which is the active tab), 'SUPPORT & CONTACT', 'ABOUT', and 'HELP'. A dropdown menu shows the user is logged in as 'Beilstein' in role 'Referee', with options to 'Change' or 'Logout'. The main content area has a breadcrumb trail: 'Manuscript Administration' > 'Manuscript Overview' > 'Details of ID 4935516' > 'Upload Report' > 'Finalize Review'. Below this, detailed manuscript information is displayed: 'Manuscript ID: 4935516', 'Editor: Beilstein BZNANO Editor in Chief', 'Submitter: Dr. Arthur Long', 'Status: Review', 'Journal: Beilstein Journal of Nanotechnology', 'Type of Article: Full Research Paper', 'Preprint Status: Published', and 'Title: Vertically aligned nanowires'. A horizontal navigation bar below the details shows steps: '1. Manuscript Rating' (disabled), '2. Review Report' (disabled), '3. Upload Additional Files' (disabled), '4. Competing Interests' (disabled), and '5. Finalize' (highlighted in blue). On the left, a sidebar titled 'MANUSCRIPT ADMINISTRATION' contains 'Manuscript Overview' and 'REVIEW INFORMATION' sections with links for 'Instructions for Referees' and 'Competing Interests Policy'. On the right, a 'ACTIONS' sidebar contains links for 'Download Files', 'Upload Report', and 'Send Email'. In the center, under 'Finalize Review', there is a note: 'Please proofread the generated PDF report as it will be sent to the authors and carefully check the article rating you have selected. You should examine if you have provided all relevant information and finally click on "Finalize Review" to finish your review.' Below this is a 'Review Data' table:

Manuscript Rating	Manuscript Rating Given	yes
Review Report	Report Given	yes
	Confidential Comment Given	no
Upload Additional Files	No. of Additional Files	0
Competing Interests	Declaration of Competing Interests Given	yes

Below the table are two buttons: 'Show PDF' and 'Finalize Review'.
